Opportunity

Connect donations of disposed items with **scavengers**.

Donator wants to...

 Get rid of items

Scavenger wants to...

 Locate free goods

Scavenger

not sure if it's a donation

Scavenger

avoid picking it up

Donator

annoyance by items disposed for longer times

Solution

We have created a platform that utilizes **geolocation API** to donate and locate disposed items in your community.

Someone's trash is someone else's treasure.
